Furniture list and specifications

Vilnius

No.	Name	Description	.	Size	Image	Quantity	
1	Height Adjustable Desk ST-1	Height-adjustable desk equipped with two motors and a height adjustment button with a memory function. Desktop – 25 mm MFC, legs – powder-coated metal. Leg frame – L-shaped steel, telescopic frame with two-level columns. Lifting columns must have an anti-collision feature, soft start, and soft stop. Lifting speed: not less than 28 mm/sec. The worktop must have a sliding function, with wire management solutions integrated into the worktop.	25 mm MFC worktop (white or light wood), legs and frame-white	1400x700x680-1150+/-50 mm		5	
2	Desk Accesories: Cable tray	Cable tray made of steel thin sheets or wires and powder coated as desks frame	White			5	
3	Desk Accesories: Cable tray	Power socket in white to be integrated to desk worktop.	White			5	
4	Desk Accesories: Cable ducts	Table cable duct for wire management	White			5	
5	Desk Accesories: Privacy screen	Upholstered privacy screen for a height-adjustable desk. One panel is required for an individual desk; side panels are not needed. The panel must be stable, filled with sound-absorbing material, upholstered from both sides and have a sound absorption rating.	Light grey (priority to wool for sound absorption) 			5	
6	Office chair	EErgonomic chair with a synchro mechanism featuring an "anti-shock" safety function, seat height adjustment, and adjustable armrests. A swivel chair with a mesh or upholstered backrest and backrest stiffness control. Frame – grey or aluminum, with castors suitable for vinyl flooring. The furniture provider must have a sample chair available for testing.	Grey 			5	
7	Esay movable storage cabinet	Storage cabinet with two drawers, wheels, a central lock, and an upholstered cushion on top. The cabinet is made of white 18 mm MFC board. The drawers are suitable for A4 files and include a plastic tray for pencils and pens. The upholstered cushion is fixed on top of the cabinet. The fabric color and code are to be chosen.	Cabinet-White melamine board, cushion fabric-magenta, blue similar to RAL 5010 or RAL 4010 	 560 428		5	
8	Modular seat	A set of modular sofas for 6–8 people. The sofa set must be comfortable but not a lounge sofa, and it must not be deeper than 650 mm to fit into a narrow space. The sofa must have options for a pouf, a seat with a backrest, and the choice to include or exclude armrests. The fabric selection must be wide enough to include options similar to the brand colors (RAL 5010, RAL 4010). The architectural diagram does not specify that parts of the sofa must be magenta and light blue. Fabric colors and their combinations must be decided with the furniture supplier before production.	 		1		
9	Wardrobe	The wardrobe consists of two pieces of furniture: a partly open wardrobe with a rod for hanging coats and a storage cabinet. The storage cabinet has doors and height-adjustable shelves. Both cabinets are made of white 18 mm MFC with a white or grey rod.	White or Silk grey	1640x600x1900H, 1270X400X1900H		1	

10	Kitchen with bar island	A Bespoke kitchen with base cabinets. Kitchen cabinets for storage, cabinet to integrate mini fridge, cabinet for 450 mm dishwasher, 450mm cabinet for sink with tap and 600mm cabinet with internal drawers. Top drawers must include plastic or wooden tray to cutlery. Bin must be included to cabinet under sink. Worktop and wall panel- 10mm Compact HPL A456, internal parts- light grey melamine board, facade- 18 mm Cleaf idea FB81 or similar. LED profile to be included		3300x600x900H		1	
	Sink with tap	Stainless steel sink. Size and style similar to Franke Aton, ANX 110-34, but any similar model can be offered.				1	
	Dishwasher	Fully integrated 450 mm Dishwasher. Energy efficiency class not less than C				1	
	Fridge	Fully integrated fridge under the worktop. Fridge with mini freezer				1	
11	Bar stool	Simple in design and bright in color. Bar stool for 900 mm height table. RAL 5010 9Dark Blue) or RAL 4010 (Magenta) must be used for upholstery of upholstery and chair frame		To use with 900mm height bar		4
