

# GROUND FLOOR PLAN

BASEMENT PLAN

## COLORS

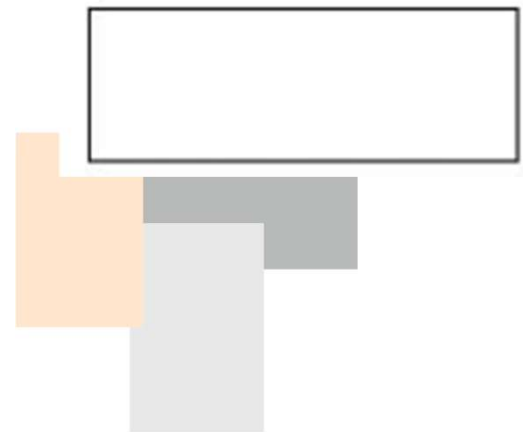

Overall proportions

Foundation primary colors-dark blue and magenta- are bold and vibrant so we recommend to take care that they don't overwhelm spaces. Brand colors work best when they are used as highlights or accents. This can be on walls, furniture, fabric, displays and communications.

RAL 5010, RAL 4010

base

accents

# COLORS TRANSLATION INTO MATERIALS

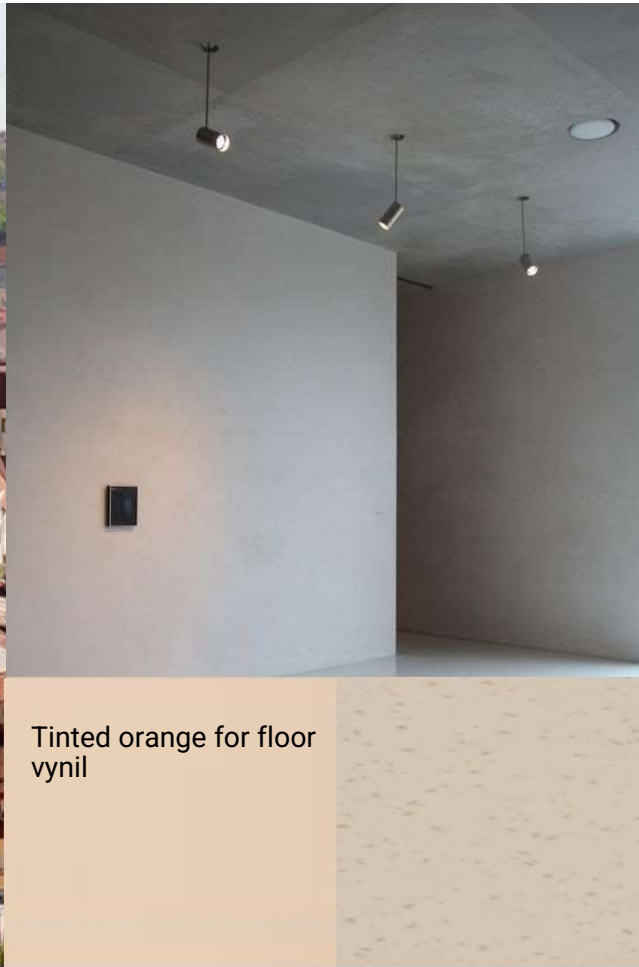

Structure	
	White walls
	Glass
	Light wood
	Light grey accents
	Accent walls
