

## CALL FOR EXPRESSION OF INTEREST

Purpose: To identify an appropriate service provider who has extensive and deep knowledge on

- quantitative analysis (basic statistics and econometrics)
- research designs
- sampling designs

Call for Expression of Interest FNF/18/06  
20 September 2018

Title:	Quantitative Analysis Trainer
Location:	Yangon
Length:	As proposed
No. of Position:	1 Position
Type of Contract:	Part-time Service Contract/ Consultant
Closing Date:	October 15 2018 (Extended)
Report to:	Programme Manager of Liberalism Pillar
Application Details:	Applications to: Hnin Wint Naing Email to: <a href="mailto:hninwint.naing@fnst.org">hninwint.naing@fnst.org</a> Only short listed candidates will be contacted for interview.

### 1) Background

The Friedrich Naumann Foundation for Freedom in Myanmar (FNF Myanmar) is looking to enhance research practice and to build quantitative analytical capacity among the staff of Yangon School of Political Science (YSPS). FNF Myanmar and YSPS will enroll YSPS surveyors and quantitative analysts to train them in quantitative research methodology and support them in their research and sampling designs. At the end of the project, it is expected that these participants would be able to design their own research designs, identify their sampling methods and interpret the data results.

### 2) Objectives

- To strengthen quantitative research capacity among YSPS staff
- To promote informed research practice, backed by independent data and fair interpretation
- To support YSPS in producing independent data and statistics on (potential) liberal policies and research

### 3) The major role of the training provider

To implement this project, FNF Myanmar is seeking a training provider, who can design and deliver courses related to quantitative research analysis. The training provider is responsible to provide:

- Basic statistics and econometrics
- Different quantitative research designs
- Sampling methods and their externalities

- Some practical sessions related to the subject
- Feedbacks on YSPS's past, present and future research designs upon availability and the demand by YSPS

#### 4) Training Provider's Competencies

Interested candidates will have to demonstrate that they have capacities and experience indicating that they are qualified to provide the service. Candidates are expected to have:

- Advanced knowledge of quantitative research methodologies
- Advanced scholarly experience conducting quantitative research.
- Proven conceptual, research and analytical skills.
- Experience working in designing quantitative research and sampling.

#### 5) Timeline

It is expected that the trainer would provide a schedule that would fit above description and objectives.

#### 6) Consultancy Fee – Commensurable upon experience.

The consultancy fee must be clearly defined in the proposal and their payment will be divided in three payments: 30% will be paid in the first and second installments and 40% at the end of the project.

#### 7) Application

Interested candidates should send their proposal to Hnin Wint Naing via [hninwint.naing@fnst.org](mailto:hninwint.naing@fnst.org) by **October 15<sup>th</sup> 2018** to include the followings:

- **CV, listing your educational qualifications as well as your relevant experience**
- **A cover letter expressing your interest, detailing your consultancy fees per hour and per day**
- **A proposal of your quantitative research course with detailed calculation of your consultancy fee over class and preparation time**

Only short listed candidates will be contacted for interview at Yangon School of Political Science. This post is open to both local and international trainers.
