

International Seminar on

The impact of Digital Transformation on the Ageing Society

ASEM Global Ageing Center(AGAC) and Friedrich Naumann Foundation for Freedom(FNF) Korea Office are pleased to co-organize an international seminar under the theme of 'Impact of Digital Transformation on the Ageing Society' in Seoul, November 26, 2019.

Entering the 4th Industrial Revolution, AGAC and FNF Korea Office aim to assess a wide range of impact on the lives on the older persons from human rights perspective, by sharing best practices from home and abroad.

We believe the seminar will be marked as another milestone for improvement of human rights of older persons in the era of digital transformation. We cordially invite you to our seminar on the 'Impact of Digital Transformation on the Ageing Society' to share your insight and experience.
